

Recommendation Letter

Casablanca, 27 May 2023

To Whom It May Concern:

Dear Sir/Madam,

I am pleased to write this letter of recommendation for **BIRORI MUSHISHI PAUL**, student number, 20016763, a third-year Business Administration student at the Faculty of Law, Economics, and Social Sciences of Ain-chock, Casablanca, whom I have had the pleasure of teaching over the past three years.

Throughout this time, PAUL consistently demonstrated exceptional dedication, intellectual curiosity, and a strong work ethic. He approached his studies with maturity and a genuine passion for learning, and he was always eager to engage in class discussions and apply theoretical concepts to real-world situations. His analytical thinking, critical reasoning, and attention to detail made him stand out among his peers.

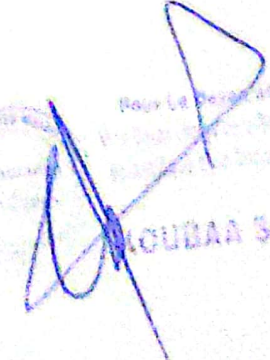

In addition to his academic strengths, PAUL is a humble and respectful individual who works well with others and contributes positively to group dynamics. His professionalism, reliability, and excellent communication skills will no doubt make him a valuable asset in any professional or academic setting he chooses to pursue.

It is therefore without reservation that I recommend PAUL for any opportunity he may be seeking. Please do not hesitate to contact me if you require further information.

Sincerely,

KOUBAA Salah
